

Cascade Water Alliance

Irrigation Efficiency Rebate Application

Cascade Water Alliance is pleased to offer rebate incentives to customers who wish to upgrade existing irrigation systems with rain sensors and efficient controllers. These devices can significantly reduce the amount of water your irrigation system uses while keeping the landscape healthy and vibrant.

Instructions

- Complete **all** sections of the application and sign. Retain a copy of the application for your records.
- Mail the completed application and copies of all applicable receipts to the following address:
Cascade Water Alliance, 1400 112th Ave. SE, Bellevue, WA 98004.
- Be prepared to be available for an inspection of the upgrades during normal business hours.
- Keep your old controller for inspection.
- You will receive a rebate check within 45 days of inspection.
- Call (425) 453-1810 with questions.

Eligibility

- Rebates are for upgrades of existing in-ground irrigation systems (installed prior to January 1, 2005) run by programmable controllers, except as indicated below under “Rebate Amounts”. Call (425) 453-1810 for a list of eligible controllers.
- The property must be located within a Cascade Water Alliance Member area. Cascade Members are: Bellevue, Covington Water District, Issaquah, Kirkland, Redmond, Sammamish Plateau Water and Sewer District, Skyway Water and Sewer District, and Tukwila. Contact your water provider if you are unsure if you are served by a Cascade Member.
- The account must be in good standing.
- Rebates are not retroactive.
- Rain sensors and controllers must be installed by a licensed irrigation contractor.
- The irrigation system must be inspected by a licensed irrigation contractor.
- Cascade recommends that you use contractors with certifications through the Irrigation Association and the Washington Association of Landscape Professionals.
- Rebate funding is limited and is provided on a first-come, first-served basis.
- A site inspection will be performed prior to issuance of rebate check.

Rebate Amounts

- **Rain Sensors- \$100**

| • Controllers | 6 Zones | 12 Zones | 18 Zones | 24 Zones |
|---|---------|----------|----------|----------|
| Conservation Controllers | \$150 | \$200 | \$250 | \$300 |
| ET Controllers | \$200 | \$250 | \$300 | \$350 |
| Conservation Controller with Soil Moisture Sensors (2 min.) | \$300 | \$350 | \$400 | \$450 |

*** New Irrigation Systems are eligible for a \$50 rebate** for installation of ET Controllers or Conservation Controllers with Soil Moisture Sensors (2 minimum).

Disclaimer

Neither Cascade Water Alliance nor its Members make any representation or warranty regarding the irrigation controllers or rain sensors installed under the Irrigation Efficiency Rebate Program. By participating in this program, you waive and release Cascade Water Alliance and its Members from any and all claims and causes of action arising out of the purchase, installation or use of the irrigation controllers or rain sensors purchased and installed in connection with this program. Any claim or problem you may have based upon any defect or failure of performance of an irrigation controller or rain sensor should be pursued with the manufacturer/distributor/installer.
